Rush-Copley Medical Center CME presents the 7th Annual

# Women's Heart Symposium

## Tailoring the Science to Improve Patient Care

Wednesday, March 10, 2010 • NIU Naperville • 1120 E. Diehl Road • Naperville, IL 60563

**Register today! Call 1-866-4Copley (1-866-426-7539).**

Dialogue with experts on the most current issues related to women's heart disease prevention, diagnosis and treatment.

### Intended Audience

Cardiologists, family physicians, internists, obstetricians, gynecologists, oncologists, radiation oncologists, residents, fellows, nurses, allied health professionals, medical and nursing students.

### Educational Objectives

- Describe the epidemiology of heart failure.
- Review diagnostic and therapeutic approaches across the continuum of care for the heart failure patient, including preventive strategies.
- Discuss the role of Cardiac Resynchronization and Automated Implantable Cardioverter Defibrillator (AICD).
- Review peripartum cardiomyopathy including symptoms, risk factors, diagnosis, test, treatment and prognosis.
- Discuss chemotherapy related heart failure including incidence, diagnosis and treatment.
- Review incidence, treatment and prognosis of patients with Takotsubo Cardiomyopathy.

### Accreditation

**Physicians:** The Rush-Copley Medical Center CME is accredited by the Illinois State Medical Society to provide continuing medical education for physicians.

The Rush-Copley Medical Center CME designates this educational activity for a maximum of 6.5 AMA PRA Category I Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Nurses:** Rush University College of Nursing is an approved provider of continuing nursing education by the Illinois Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on

Accreditation. This educational activity is being offered for 6.5 continuing nursing education contact hours.
